Not many matters have been brought to the attention of the Clerc prior to the meeting to be discussed.

1. A date for next year's Christmas Tree carol and mulled wine should be discussed early next year with the Rhydypennau Hall committee and the school so that a suitable date can be agreed upon within plenty of time to arrange a Christmas tree switch on for 2023

2. Is there a special note that the council would like to place in the Tincer for the new year

3. The community board which is now in place, what contents to be displayed moving forward.

4. Since the last meeting, the great news is that the construction of the new path in Dole has had the go-ahead and works will be commencing in the future, and the existing hedge will be translocated to the field side of the new path.

5. The clerc would like it noted that the previous clerc is yet to provide a full handover, has not received any documentation of any sort for the Community Council of Tirmynach, and has not seen the financial accounts. The clerc would like the committee to give the previous clerc R.Lewis a deadline with urgency to hand over the financial accounts and all relevant information to ensure the community council is complying with regulations and liability with no risk.

4. The discussion of whether the community of Tirmynach is happy for the consideration of the below people to be adopted as Community councilors if they wish to proceed is still at hand;

Sharon Lewis, Paul Hinge, Anwen Pierce, A.Keyworth & Richard Lewis.
