A lengthy discussion around the regeneration of Tregyddan Park and sourcing grants. Still no communication from Tegerddan residents or locals in response to the placement on the community board in the village Spar since Feb 23 - 0 responses since our last meeting. Discussion around that we are lucky that the community has a new modern and updated Park for the village on a secure safe site less than a 2-minute walk away. A site visit with the councilors to be arranged. Moving forward with a more greener and diverse approach with

- specific dog area
- wildflowers,
- benches
- football posts
- covered area under a pergola
- Renovation of the gate, tidying up and re-painting
- The clearing of the pathway into the area

Training for the community council to continue looking at dates that they could undertake. The importance and emphasis of these training sessions were again re-iterated by the Clerc for a compliant community council.

Discussed a need to further increase our local councilors and to engage and invite those who wish to join to attend and see for themselves.

Notification for the Tincer for the Nov edition to also include a note if anyone would have an interest in joining the Community Council and to contact us.

Christmas tree for 2023, all in agreement that it does need to be slightly bigger than last year, taking into account the 2 feet we lose placing in the ground.

Contact with Rhydpennau School by Cllr.A.Keyworth was positive and they would happily have the children singing for the lights to turn on, but this would need to be the 1st week of Dec at the latest.

De-fib pads were replaced on both the Rhydpennau Hall and Spar, with exp dates of 02/2026.

Source an AED sticker for the De-fib box in the Spar.

Complaint from the framer that the bins in Bryncastell Park were overflowing into his fields to Cllr.P.Hinge were actioned immediately and seen to by Cllr.E.Morgan who ensured there were no further rubbish that could harm animals and extra checks were put in place to review the bins by herself.

Cllr.R.Pugh will attempt to gain online access.

Cllr R.Pugh will remain on the accounts with Cllr M.Chambers and Clerc R.Eluned to go on. Until then, it remains under the requirement of Cllr.R.Pugh, R.Lewis, and R.Rees to authorize payments.
